WAIVER All must read and sign this form at check-in

In consideration of the acceptance of my application for entry in the Grizzly Century event, I hereby waive, release and discharge any and all claims for damages of death, personal injury, or property damage which I may have, or which may hereafter accrue to me, as a result of my participation in said event. This release is intended to discharge in advance the promoters; the sponsors; the Grizzly Century Committee, its members and officers; the officials; any involved municipalities including Bass Lake, North Fork, or Madera County, the USDA Forest Service; or other public entities and their respective agents and employees; and other entrants from and against any and all liability arising out of or connected in any way with my participation in said event, though that liability may arise out of negligence or carelessness on the part of the persons or entities mentioned above. I further understand that bicycling events will frequently encounter hazardous conditions such as large motorized vehicles, rough road surfaces, and steep, narrow, and winding mountain roads which hold the potential for accidents and serious personal injury, or activity at high altitudes and in possible adverse weather conditions. Mindful of these risks I hereby agree to assume all other risks and hold harmless all of the persons or entities mentioned.

I further understand and agree that this release extends to all claims of every nature and kind whatsoever, known or unknown, suspected or unsuspected and I hereby expressly waive any and all right under or in protection of Section 1542 of the Civil Code of California, which provides verbatim as follows: "S1542, General Release; extend. A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known to him must have materially affected settlement with debtor."
